Wants Subsidy for Merion Fire Co.

Haverford Man Said They Crossed Township Line to Answer Alarm

A Haverford Township resident would like to see the Ardmore fire company paid a subsidy by his board of commissioners.

The Merion Fire Company of Ardmore came across the Lower Merion Township line on Labor Day to extinguish a fire in the home of Charles A. Wright, at 2743 Belmont av., Ardmore Park.

Wright, who teaches journalism at Temple University, states in a letter to the Haverford commissioners that the excellent work of the Ardmore firemen extinguished the blaze in his home.

"It is my understanding," he said, "that Haverford Township has withdrawn the subsidy formerly paid the Merion Fire Company for fighting fires in this vicinity. It is my hope and that of many of my neighbors, that you will see fit to change your policy on this at an early date."

"Because we have Ardmore addresses and Ardmore telephone numbers, as well as because the Merion Company is nearer, we instinctively call the Merion Fire Co. when emergency threatens. It has been a source of much satisfaction to us that, in spite of the withdrawal of the former subsidy, the Merion Co. has responded whenever called."

Narberth Gift Plan Finds Outside Favor

News of Narberth's plan to send Christmas gift boxes to its enlisted men in the camps and at the war-fronts has spread to the East and as a result Justin Bayer, vice-president of the Warren Thread Works in Westfield, Mass., has made a contribution of a cleverly compact sewing-kit for masculine use for each of the several hundred boxes which will be assembled.

Mr. Bayer stated that he regarded the local procedure as well worth emulation in all parts of the country and he said that he is sure it would prove of valuable aid in enhancing the general morale of the fighting forces.

Refuse School's Request for Lockers

Because of priorities on such building materials the U. S. Government has refused to let the Lower Merion School Board have steel lockers for its new Technical Division Building in Ardmore.

The lockers, which would have been placed in the wash rooms of the shops, are being replaced by removing lockers from other buildings.

Wood lockers are being installed in the hall.

There are 158 students enrolled in the Technical School.

She received her training in Carnegie Library School, and taught cataloging at Temple School of Library Science during the Summer Sessions of 1933 and 1939. She has been active in the Philadelphia District Library Association and the Pennsylvania Library Association.

Manoa Holds 3-1 Edge In Series; Feud Resumes At Narberth Saturday

Prevented from winning the pennant in consecutive games, Manoa A. A. will endeavor to win its second consecutive Main Line League championship this week-end and thus ring down the curtain on baseball in this vicinity.

Manoa needs only one more victory in its seven game series with Narberth to achieve its goal. The Haverford Township club holds a 3 to 1 edge as a result of the two teams splitting even last week. Narberth rebounded to win its only game by 4-1 at Manoa on Saturday, but the defending champs came right back to crush the boroughites, 7-2, before an overflow Sunday crowd at Narberth.

The teams return to Narberth on Saturday for the fifth game and will clash at Manoa on Sunday should a sixth game be needed. If Narberth, by some super-human effort, should win both of this week's games and thereby even the series the seventh and deciding contest would most likely be played Sunday, October 4, the site to be determined by the toss of a coin.

Jenkins Wins First Place In 6 Events of Sportsmen Club

Five County Drive For Nurses' Aides

Clergy Help to Enlist Women Between 18 And 50 Years

Calling all women between the ages of 18 and 50, the American Red Cross and the Office of Civilian Defense launched a giant campaign in five counties—Bucks, Chester, Delaware, Montgomery, and Philadelphia—to recruit volunteer nurses' aides.

The need for nurses' aides as volunteer workers on the Home Front grows more urgent daily—as more and more registered nurses join the Army and Navy. The clergy of all denominations have made this announcement and are urging any woman between 18 and 50 in good health, with at least a high school education or its equivalent, to apply for training.

The more than 1000 volunteer nurses' aides already trained and now serving in our local hospitals prove how competently housewives, mothers, and business girls can help give required nursing care. Our hospitals need at least twice as many more nurses' aides as they now have.

Local hospitals are playing an important part in this effort to recruit nurses' aides through the membership of their boards of directors, committees, and staffs. Every woman's organization in the metropolitan area has been asked to urge its members to enroll in this volunteer service.

New training classes start every few weeks, some in the daytime and others, for the convenience of business women, at night.

First Aid Class Starts October 5

A new first aid class will be started in Narberth on October 5. The class, open to both men and women, will be held at Elm Hall Monday evenings from 8 to 10 p. m.

Since the class will be limited, first preference will be given to active members of the Civilian Defense organization. Registrations must be made by September 30 with Thomas W. Merkle, Narberth 2357-M or with Mrs. Ruth Grace, Borough Secretary, Narberth 2840.

Food Reserves Cut Grocers' Supplies

Civilians Will Only Get 15 Percent of the 1942 Salmon Pack

The building of huge food reserves to meet any emergency is further complicating supply problems for the retail grocer, according to William M. Mathewson, who spoke Tuesday noon at a meeting of the Bala-Cynwyd-Narberth Rotary Club.

Joseph Whiteside was chairman of the meeting which was in the Overbrook Golf Club. Dr. Munro Purse, the Club's president, presided.

Mathewson, a wholesale and retail grocery executive, said that dealers today were getting only 65 percent of the coffee they needed. He said that 38 percent of the tomato pack would go to feed the U. S. Army or other armed forces; 20 percent would be held in a large reserve pool and the remainder would be available for civilians.

Of the 1942 salmon pack, he said 60 percent was for our armed forces; 25 percent was being held in reserve and 15 percent would go for civilian consumption.

In the absence of Dr. Purse the meeting will be conducted next Tuesday by George W. R. Kirkpatrick, principal of the Bala-Cynwyd Junior High School.

Dr. Wynne Council Elects Officers

Members of Dr. Thomas Wynne Council of Republican Women held their first Fall meeting on Monday, when the following officers were elected:

Mrs. William A. Clementson, president; Mrs. Edwin R. Cox, Jr., vice president; Mrs. Albert M. Mossin, recording secretary; Mrs. Joseph Corby, corresponding secretary.

Appointment of the following chairmen was announced: Mrs. Henry Reynolds, membership; Mrs. Paul M. Phillips, political activities; Mrs. J. H. Harned, legislative; Mrs. James A. Jensen, program; Mrs. William Powell, war work; Mrs. R. Grosholz, publicity.

Votes for absentee service men were discussed and plans were made for increased sales of war bonds and stamps.

Wrights Want to Know: "Was Octopus Killed?"

"Reap the Wild Wind" is a jinx movie for the Wright family of 2743 Belmont av., Ardmore Park.

Charles A. Wright, head of the household, said that last May they started in town to see the picture but his wife was taken ill. Later, he said, they started for Ardmore but guests arrived.

On September 16 Wright wrote to the management of the Boulevard Theatre, Brookline, to thank them for summoning him from the audience on Labor Day evening when his house was on fire.

"We felt happy when we got to see it at the Boulevard, but, unfortunately, the fire called us away just during the exciting scene of the battle with the octopus," he said.

5 More Teachers Enter Service

Five more Lower Merion public school teachers, making a total of 14 altogether, have entered the United States military services.

Three other school employees have joined the armed forces.

During the past few months six teachers have resigned for marriage. They are Emily V. Boyd, Senior High School; Mary E. Charles, Bala-Cynwyd Junior High School; Edith Jennings Munger, Cynwyd Elementary School; Catherine Rhoads Panoast, Senior High School; Katharine Schlegel, Cynwyd Elementary School; Esther S. Schubauer, Bryn Mawr Elementary School.

Mollie M. Hazard of the Bryn Mawr Elementary School has resigned.

At present four teachers are on sabbatical leave. They are Julia Creighton, Bala and Cynwyd Elementary Schools; Eva Rowley, Cynwyd Elementary School; Nora B. Thompson, Senior High School, and Mary Gates Connors, Cynwyd Elementary School.

Scout Cookie Sale To Open Saturday

Ninth Annual Drive Will Last Two Weeks; Deliveries Oct. 10

The Girl Scouts will launch their ninth annual cookie sale this Saturday, according to an announcement made by Mrs. Henry D. Booth, Jr., Cambria Court, St. David's, chairman of the Main Line cookie sale committee.

From September 26 to October 10 Girl Scouts will approach friends and neighbors in a house-to-house canvass to take orders. Two weeks later, beginning October 10 and through October 24, the Girl Scouts will deliver cookies to their customers. Undaunted by the lack of automobiles to help in their deliveries this year, the Scouts are busy oiling-up their roller skates, express wagons, and bicycles to be pressed into extra service in this year of gas and tire rationing.

Earnings from the sale go to augment the grant from the United Charities Campaign, and help finance the Scouting program, which is directly concerned with the defense of our communities. The Scout program teaches girls how to cook emergency meals, proper procedure in air raids, first aid, preparation of homes for blackouts. Service is a vital part of the program and many Girl Scouts work in their free time in hospitals, settlement houses, day nurseries, and playgrounds. A small percentage of the sale's earnings goes back to each troop and is used for equipment, donations to community drives, and to send one or more girls to the Girl Scout summer camps.

Assisting Mrs. Booth as neighborhood cookie chairman in the Main Line area are: Mrs. Thomas Balach, 324 Pembroke rd., Cynwyd; Mrs. James Montgomery, 273 Forest rd., Merion; Mrs. A. G. Dean, Narberth; and Mrs. G. Gordon Cook, 114 Simpson rd., Ardmore.

2 Patriotic Occasions In Oct. to Acclaim Local Men in Armed Forces

Plans are being conducted rapidly for the two patriotic occasions which are on Narberth's schedule for October, as follows:

1—An unfurling of a service flag on Sunday afternoon, October 4, to be hung across Haverford Avenue, in recognition of the 282 young men who have left the neighborhood for the service of their country.

2—Arrangements to send Christmas gift-boxes to those from here in the camps and the war-fronts, the cost to be derived from a house-to-house collection which will start on Monday, October 5, and continue each evening thereafter until the entire section is canvassed.

The flag-raising will be preceded by a parade which will assemble at the Playground and which will be composed of military groups and will also include the members of Narberth's various organizations. Special arrangements are being made for the accommodation of the parents and relatives of the men in the service.

The main speaker of the occasion will be the Honorable Clare Gerald Fenerty, of the Common Pleas Court in Philadelphia, regarded as one of America's foremost orators and sometimes described as the most effective public speaker in Pennsylvania.

The presentation speech will be made by Burns F. Best, Commander of the Harold D. Speakman Post of the American Legion, and Chairman of the Service Flag Committee. Serving with Mr. Best on the committee are Thomas W. Merkle and Henry A. Smith. The acceptance speech will be made by Burgess Richard L. Miller.

184 Increase in School Enrollment

Decrease in Cynwyd Pupils to Merion

Enrollment figures in Lower Merion schools show an increase of 184 as compared to last year.

In the senior, two junior high and nine elementary schools there were 5639 students enrolled in the Fall of 1941 as compared to 5823 this year.

The Senior High shows an increase of 32 and the Bala-Cynwyd Junior High an increase of 30 as compared to 1941. Enrollment at the Ardmore Junior High is the same as it was last year.

Increases in enrollment are reported from the Bala, Bryn Mawr, Merion, Gladwyne and Penn Wynne elementary schools. Decreases are reported from Ardmore Avenue, Ashland, Cynwyd and Wynnewood Road schools.

The decrease in the Cynwyd School is because approximately 50 pupils were shifted to the Merion School.

The highest enrollment is at Lower Merion Senior High, 1540, and the lowest, 118, at the Bala School.

POLITICAL ACTION AND RACIAL DISCRIMINATION

Several members of the Main Line Branch of the National Association for the Advancement of Colored People are engaged into a debate about the wisdom of making political capital out of the alleged Lower Merion police discrimination case.

Last week at a hearing before a Willow Grove magistrate the defendant — a Lower Merion patrolman — was held for Montgomery County Court.

So far the move to couple the case up with political action has been abortive because it has been difficult to judge, without a higher court ruling in the case, how much racial discrimination — if any — existed. Likewise, it is apparent that no one wants to step out and base a political campaign on a case that is yet to be placed in the hands of the jury.

Chief racial grievance seems to be that it was impossible for the colored woman, who was alleged to have been mistreated, to obtain a hearing in Lower Merion Township. Even so, it is not clear that Republicans or Democrats were responsible for this miscarriage of justice or that it was the result of a general Republican or Democratic governing policy or practice of the minor judiciary.

It seems to us that political action in such cases is only justified where "established" racial discrimination can be linked directly with the reigning political party, through its administration in power, or charged directly to one of its elected officials, who refuses to budge in the matter.

Racial discrimination, proven or rumored, presents engaging emotional appeals for politicians who want to stir up their voters or swing an election one way or another. But, unless such matters are handled with wisdom, the guilt of furthering racial prejudice may run just as deep as the original offense.

Letters To The Editor . . .

September 22, 1942

Dear Sir:

In last week's OUR TOWN, Mr. J. J. Cabrey set a precedent for himself when he admitted being "mixed-up," in some way between the writer and the "Praise-worthy effort of our American Legion," in registering the names of our boys in the service on the Honor Roll at Shea's Drug Store.

I have known our esteemed chairman for twenty-some-odd years, but this is the first time, to my knowledge, that he admitted, publicly, that he was mixed-up.

It may be that he was confused with the statement that I made several weeks ago to him, in reference to the iron fence that adorns his property, when I told him it would make fine "bomb shells to toss at the Japs."

This may have been the cause of his dilemma.

News of BALA-CYNWYD Junior High

by JANE HANSCOM

Bala-Cynwyd students will soon be attending the first meetings of their clubs, important feature of Junior High School life. If a pupil puts a lot of interest into a club he may get much enjoyment from it. The clubs are of many types so as to give variety to the selections a student may make during his three years at Bala-Cynwyd.

The Aviation Club, a new club this year, will interest boys in aviation and model airplane building, which may lead to an important vocation for them in the future.

Another new club, the Headlines Club, will discuss important events happening in the world today.

The Latin Club, the third new club, will do many interesting things and apply Latin to everyday life.

The most popular clubs are the ones in which students can do something with their hands or exercise their bodies; such as, handicraft and athletic clubs.

The organizations of Bala-Cynwyd have gotten started and the members have been planning their projects for the year. The band, choir and orchestra are held for those pupils who have a talent and gift for music.

The pupils who have a flair for journalism are greatly interested in the Press Club which prepares the Bala-Cynwyd Highlights and the annual yearbook, "The Lance and Shield." Thirty-five pupils have already requested membership in this organization.

The Student Commissioners have been discussing the type of boy or girl they wish to have nominated for the Fall elections of student school officers.

Bala-Cynwyd is very fortunate to have clubs, organizations and activities which give the pupils so much enjoyment throughout the year.

Five Disease Cases

Lexington Launching To Mark Drive for More Navy Fliers

A new nation-wide recruiting drive will be conducted in connection with the launching of the new aircraft carrier, USS Lexington this Saturday. It was announced Sunday by Secretary of the Navy Frank Knox.

He declared that the enrollment of five thousand Aviation Cadets and the enlistment of ten thousand more bluejackets than are ordinarily inducted during a two-week period will be sought in a drive beginning Monday and continuing through October 3.

The recruits will be known as "Lexington Volunteers" in tribute to the fighting men of the former "Lexington" who smashed the Japs in the Battles of Bougainville, Lae and Salamaua and in the Coral Sea.

To enlist, Naval aviation cadets under the V-5 program leading to commissions as ensigns should apply at the 12th floor of the Widener Building, Philadelphia, and midshipmen, under the V-7 program which provides deck and engineering officers for aircraft carriers and other craft should apply on the 17th floor of the Widener Building. Those who want to enlist for naval aviation with prospect of ratings paying \$74 to \$138 a month plus 50 percent extra as flight pay plus keep after recruit training should apply at 900 Custom House, Philadelphia.

The remaining football schedule for the year reads as follows: October 3—Chester High, at P.M.C. stadium; October 10—Abington High, Pennypacker Field; October 17—Haverford, Brookline; October 24—Cheltenham, Pennypacker Field; October 31—Phoenixville, Villanova Stadium; November 7—Norristown, Pennypacker Field; November 14—Upper Darby, Pennypacker Field; and on November 21 Lower Merion meets Radnor, at Villanova Stadium. To date L. M. has won 17 of the games played with Radnor, tied 9 and lost 19.

Cheerleader try-outs have been held during the past week. An important part in all our athletic contests is the cheering. A corps of cheerleaders are selected by the student body. At the end of one year of service a cheerleader is awarded a special monogram. At the completion of three years of service a major letter is awarded.

America needs its young men and women strong—at Lower Merion every student has an equal chance to become a "star" in his or her favorite sport. Such sports as football, soccer, cross-country, field hockey (girls), boys' and girls' basketball, girls' swimming, tennis and many others are offered at L. M.

Each home-room elected a home-room president on September 16. The president automatically becomes a member of the Student Council. The Student Council is the student government body of the school and is the medium between the pupils and the administration. The Council is responsible for conduct, traffic, parking, and other problems in and about the school building.

A special assembly was held in the Down's Gym on Monday, September 14. Mr. Vincent V. Pearce, vice-president, made announcements pertaining to traffic on the stairways, and conduct in the cafeteria. He also announced that athletic tickets would be on sale starting September 16. Each home-room was to elect a salesman who would be in charge of the ticket-selling. The price of A.A. tickets as a little more this year because of the 10% Luxury Tax. Adult All Sport Tickets, which admit an adult to all athletic contests, cost \$3.75 including tax. Separate season tickets for football or basketball cost \$2.20 each. There are also student tickets at lower rates.

On Tuesday, September 15, all home-rooms elected an A.A. ticket salesman. It is the goal of every home room to have each student buy a ticket. When they have attained this 100% the salesman of that room is entitled to attend a dinner to be given later in the year.

West Philly game on Saturday, September 19. Mr. Anderson reviewed the L. M. team's past history. Last year the team lost only one game by one point. Jack Young, and Joe DeFelice, co-captains, made a few remarks followed by the cheerleaders leading the student body in the Fight Song. Mr. Etzweiler, Mr. Wilcox, assistant coaches, and Mr. Mattis, coach, said that this game was going to be a tough one. No matter which way the game is going, said Mr. Mattis, the team would, as it always does, play hard and fair.

Salvage 13,800 Lbs. Of Scrap Iron

Drive Hits Highest Mark in Several Months

Judging by the almost continuous ringing of telephones at the Lower Merion Township Building, the whole community is becoming very conscious of its Junk Rally Salvage Drive and the call for large quantities of scrap iron in an immediate effort to supply mills and foundries with enough materials for their constant war needs.

And the Township collections are reflecting this willingness on the part of the citizens to delve into cellars, attics and yards to bring out every available bit of unused metal.

Reports show that from September 14 to 19, the opening week of the drive, 13,800 pounds of scrap iron found their way into the salvage disposal channels, the highest weekly quantity for at least two months almost three times the 1,700 pounds of the previous week and topping most favorably collections of 8,700 pounds from August 24 to 29, and 7,300 pounds from August 31 to September 5.

Old bits, out of date gas stove and other heavy metal objects are being picked up from private homes by special arrangement with the Township Highway Department when householders are unable to move them to the curbs for the regular collections themselves.

In addition, several unusual sources are being opened by interested residents. A group of Boy Scouts wandering along a creek in open property reported a truck body apparently abandoned.

At least two iron fences are available if the means can be found to get them up.

Fire companies, Boy Scout troops and neighborhood clubs are already putting under way plans to distribute information about the drive.

Manoa Holds Edge

(Continued from Page One)

er, in the Sunday battle.

Skinner Davis shook up his line-up prior to last week's games. An unexpected move sent third baseman Joey Burns, the league's No. 1 hitter and most valuable player behind the plate in place of Joe Mihalle. Russ Herrmann switched over from second to third base and George Myers, the Gladwyne star who is substituting for Pooch Serra, now in the Army, took over at second base. Buddy Potts was dropped from leadoff in the batting order to sixth. Myers swung in the No. 1 spot. This setup remained the same on Sunday with the exception of Smith, who replaced Herrmann at third base.

Smith limited Manoa to just five hits and didn't allow a run until the eighth as Narberth crashed through to victory on Saturday. The boroughites collected nine safeties off Allison and aided by five Manoa errors scored single runs in the second and fifth innings and two in the ninth.

A triple by Burns after Smith and Myers had singled to open the ninth actually sewed up the game.

Manoa filled the bases in the last of the ninth, but Smith was equal to the challenge. He fanned Jack Miller and Allison and the veteran Sammy Rudolph, running for Gwynn, was nabbed at the plate on an attempted double steal.

Gwynn and Cantwell were the heroes of the Sunday battle as Manoa pounded Zetuskys for ten hits and the most impressive victory of the series. The defending champs piled up a 3-0 lead in the first two innings and were never threatened. They scored two each in the fifth and ninth while Narberth could garner only single tallies in the sixth and ninth. F.V. Narberth errors, three by Burns, aided the visitors.

Cantwell gave up eight hits, but was deadly in the clutch.

Gwynn, so far the outstanding player of the series, collected two hits, a double and a single, and drove in three Manoa runs. He's now driven in five runs, three more than any other player in the series.

The veteran Buddy Walker, Narberth first baseman, finally found his batting eye, collecting two singles and a triple to pace the losers.

Before the game, Harry Fox, flashy Narberth outfielder who reported to the Marines' base at Quantico, Va., on Monday, was called to the plate and presented with an electric razor outfit by Ray Cabrey, president of the Narberth club. Fox, who has given Main Line fans many thrills with his agile fielding and remarkable throwing, said farewell with two singles, his only hits of the series.

Women's Guild

The Women's Guild of the Narberth Presbyterian Church will hold an all-day meeting October 1. Sewing and surgical dressing will begin at 10 o'clock. Mrs. B. R. Nelson will be the hostess for luncheon at 12:30, which will be followed by the regular business meeting. Mrs. F. G. Irwin will be the Devotion Leader, and Miss Ann Ewing, Faith Mountain Mission, Honak, Va., will be the speaker.

CALLING THE TURN

Haverford High School's visit to Abington Saturday afternoon will be watched closely by football coaches and fans throughout the suburbs. It is the opening battle in the Suburban Big Six and will determine which of the two teams may challenge for the top spot in the mythical circuit.

Haverford, in case you are not up on football things, just yet, is very highly regarded by rival coaches. Even Uncle Bill Stinson, Ford mentor, believes his boys will be able to cause trouble if his line comes through. Abington almost always has a strong team but appears to be somewhat of a question mark to date. All of which makes the contest very interesting.

Lower Merion proved against West Philly, Philadelphia Public League champ, that it has the makings of another powerful club. Zestful coaches who saw the Maroon in the opinion that Coach Dick Mattis had done an excellent job of preparation. The team was much further advanced than expected and showed much promise for the future.

Upper Darby's supposed to have considerable on the ball. Just how much may be revealed in a tussle up scrap with Episcopal Academy on Friday. Central High will test Shethenham at the same time.

According to the dope we've been able to gather the Big Six shapes up as a fairly even fight among lower Merion, Upper Darby and Haverford with Lower Merion rating the best chance of finishing on top.

Here's a thumbnail preview of the teams:

LOWER MERION—True, the breaks helped the Maroon make its excellent showing against the veteran West Philly eleven, but the Mattismen showed plenty of ability. Once those two sophomores, Stuart and Basile, get a bit more experience and when Greer Heindel is in better shape and Don Evans is eligible and ready for his turn, it end Coach Mattis will have the answer to most of his problems. Even if Joe DeFelice should be lost for the season. Should he be able to turn DeFelice loose we don't believe anyone will stop 'em.

HAVERFORD—The Fords should have plenty of punch in a veteran backfield that shapes up as one of the most potent in the entire Suburban Conference. Coach Stinson has always been a master at building strong lines and if he comes anywhere close to upholding tradition his squad will cause lots of woe. Weak reserves may keep the club from finishing higher than third, but the Fords shouldn't lose more than two games in Big Six competition.

ABINGTON—The Ghosts have six lettermen available for the opener—an end, two tackles and three backs. Johnny Easton, the Negro star, was graduated last June but Ray Uccelletti, flashy tail-back, figures to provide the dynamite. Stop him and the Ghosts won't do their usual haunting. Coach Shodgrass, reports say, doesn't have his heart in football this year. He wanted to call off the sport entirely and concentrate on a toughening up program for all boys at the York road school. Some intimates his is the tipoff on Abington's prospects, insist he'd never have made such a proposal if he had a team ready to clean up.

RADNOR—The Raiders figure to have a very strong line, a rather uncertain backfield. Just the opposite of Haverford's situation. Amido Ballone is lone vet among the backs. Team's hopes hinge largely on Charley Beatty, first strong center last year, coming through as a fullback. Team should have an excellent chance of breaking even, and shouldn't finish any worse than fourth.

CHELTHENHAM—Coach Dutch Schman panned all his title hopes on last year's squad and it wasn't

good enough. Only one regular has returned. The team is made up mainly of last year's fairly strong jayvee eleven. First team may be fair. Reserves weak. Definitely second division, probably the best candidate for the cellar.

UPPER DARBY—The Royals will go just about as Dick Ambrosi goes. It's the only veteran back one of four lettermen. Return of 6-foot 2, 190-pound Vince Ryan and 180-pound Bob Huggins at tackles and lanky Herb Freeburger, end, provides strong nucleus for a line that will pack lots of brawn, lack only experience in the middle. First team will be formidable, but reserves are weak.

Details of the contest for a letter to accompany the trophies have been sent to the principals of the local parochial and public schools and they have been urged to encourage the participation of as many of their pupils as possible.

An award of a \$25 War Bond will be made to the writer of the most acceptable letter and should it come to pass, in the opinion of the judges, that no letter submitted corresponds with the requirements, the cost of the War Bond will be used for War Stamps to be distributed equitably among all the participants.

Miss Margaret Campbell, Miss Fannie Loos and Mrs. Robert Fellows Wood have been asked to act as the Board of Judges, their decision to be final and not subject to review.

Sophomores Steal Show In Lower Merion Opener; West Philly Tied, 13-13

It'll take a mighty strong team to dethrone Lower Merion High School as champion of the Suburban Big Six Conference.

That was the unanimous opinion of most of the 5000 fans who sat under a broiling sun last Saturday and watched Lower Merion battle a highly touted West Philadelphia High eleven to a 13-13 stalemate.

The Maroon had to concede the defending champions of the Philadelphia Public League quite an edge in experience, but it had the fight and ability to stand right up and look the Speedboys right in the eye all the way.

In fact, the locals set the pace and helped by the breaks came dangerously close to snatching the decision. Lower Merion took a 7-0 lead in the second quarter, but the Speedboys came right back with a sizzling attack to tie the score at 7-7 at halftime. Lower Merion moved ahead again early in the fourth period, but Al Mitchell, veteran West Philly back, took the kickoff following this score and paced 75 yards for the second Speedboy tally.

It was an unusually well played and interesting game for an opener. Only in the closing minutes of the first half did the teams appear to bog down on account of the heat.

Lower Merion fans were particularly cheered by the performances of two sophomores, Frank Basile and Marshall Stuart. Basile, who started last year for Bala-Cynwyd Junior High, tallied Lower Merion's first touchdown on a nine-yard scamper around right end in the opening moments of the second period, capping a Maroon drive of 39 yards. Stuart, a former Ardmore Junior High ace, scored the second touchdown on a more spectacular play.

Early in the fourth quarter he spun through an opening off left guard on a perfect mouse-trap. He veered to the left, then cut back diagonally across the field and outraced the West Philly secondary 38 yards to touchdown land. Bud Cantagalla kicked the extra point after the first score. His second try was blocked. Stuart, especially, looks like the break away runner that Coach Mattis has been seeking. The other jacks were none too impressive on offense, but Jack Toebe's backing up of the line and the defensive play of Vernon Young, the short time he spent in the backfield, were noteworthy.

The line play was fair with end being the most obvious weak spot.
